Message from the Principal:

Dear Sacred Heart School Community,

The first part of the 2018-2019 year has gone by quickly, and it has been an exciting time of learning. Parents have met with their children's teachers during parent conferences in October. Our school has completed our first quarter and are well into our second quarter.

As we reflect on the many things for which we are thankful, I want to take this opportunity to share just a few of them with you: We are thankful for God. We are thankful for our students who come to school every day ready to learn - they give us all a daily reminder of what is important and why we are here. We are thankful for the support of the parents in creating an outstanding partnership for our students. We are thankful for the teachers, secretary, support staff who really care about student achievement and have the best interests of our students at heart. We are also thankful for our volunteers who enthusiastically contribute so much to our school. We are thankful for our pastor who leads us in our spiritual life and supports us in all our endeavors.

Most importantly, we are thankful for the parents that have kept the faith in us. They continue to share their most valuable possession with us. They work hard and advocate to be a partner in their children's education, safety and well-being. For this, we are ever so thankful.

I would like to wish all of you and your families a happy, healthy and relaxing Thanksgiving holiday!

Sincerely,

Mrs. Beyhan
